National Student Financial Aid Scheme

FOR IMMEDIATE RELEASE

DATE: TUESDAY, 05 DECEMBER 2023

SUBJECT: NSFAS INSTITUTIONAL VISITS ON THE IMPLEMENTATION OF THE NEW STUDENT ACCOMMODATION PROCESS

The NSFAS Ad Hoc Committee on student accommodation, accompanied by the NSFAS Executive Management and Board Members, will visit several institutions in Gauteng to engage its management on the preparations and readiness of the implementation of the new student accommodation process, ahead of the 2024 academic year.

Committed to ensuring the provision of accessible, decent, safe and academically conducive student accommodation for all students, NSFAS has since through constructive engagements met with various stakeholders to discuss and find common ground in dealing with accommodation challenges for students.

This includes the implementation of a centralized student accommodation management process through a Student Accommodation portal, and a universal CAP on accommodation costs for NSFAS beneficiaries.

It is against this backdrop that the NSFAS Ad Hoc Committee and Executive Management will meet with institutions, to ensure a smooth roll out of the new student accommodation process.
